“IRAQI WAR VETERAN”  
(106”H X 34”W X 34”D)

When I think about oil, I think of the great human costs from the Iraqi wars – Wars fought for oil.

Young men and women who are children, grandchildren, siblings, and parents, who return home deaf, blind, dismembered, mentally traumatized, in body bags, and burned – like this head made of cigarette butts.

When will it end?

Will it ever end?

For sale: \$10,000

All proceeds will be donated to the Wounded Warrior Project to assist the wounded veterans returning from the Middle East.
